

ADOPT AN INMATE PROGRAM

**“Lord, you know all things; You know that I love you.” Jesus said “feed My sheep”
John 21:17**

What is the Adopt an Inmate program?

The Adopt an Inmate Program allows church groups the opportunity to provide prayer partnership and material support for women in our Bible Study classes at CCA Silverdale Detention Center and Come As You Are (CAYA) aftercare group attendees; in essence partnering “the Church within the walls” with “the Church outside the walls” in the good work of prayer.

Program design:

- A church group or individual provides funds to purchase Bible study books and/or Bibles for one of our 2 Bible Study classes or for the ladies in our CAYA aftercare group.
- The materials are purchased and distributed to each student.
- The adopting group is given a letter of participation containing the first names of the students participating in the class.
- The adopted inmates or CAYA members are provided the name and City, ST location of the Church group (this is general information only to protect the privacy of each group). Example: The Martha class in Lubbock, TX
- The participating classes and groups are now partnered in prayer for one another.

Material Costs:

- New Inductive Study Bibles: \$21.50 each (need 10-12 per graduating class)
- Bible Study Materials:
 - Women’s Studies class materials \$15.00/book (usually need 20 per class)
 - Precept Class materials \$8.00 to \$17.00 (need 20 per class)*

Please note Precept class materials vary in price according to course type (40-minute to Precept Upon Precept).

What a joy to know you share God’s heart to minister to those in prison as if you were there yourself. May His blessings abundant be poured out upon you.
